Chancellor's Message

Welcome to Symbiosis International Deemed University

I extend a warm welcome to all of you as you join the Symbiosis family. The University is part of the larger Symbiosis family, which is built on the core ideals of Vasudhaiva Kutumbakam - the world is one family.

You will find a wealth of opportunities as you begin your journey of higher education, which is about academics, of course, but also lot more. It is our goal that we succeed in shaping our students to be responsible members of the global citizenry. Symbiosis is appreciative of the enormous responsibility that befalls higher education institutions. Encourage you to avail of all the wonderful teaching learning and research possibilities that are offered. We, at Symbiosis, believe that play belongs to education as much as studies; therefore, we offer a whole range of first-rate choices that contribute to personal capacity building, such as those in career enhancement, extracurricular activities and recreational facilities.

You will find wonderful prospects to share this journey with students from over eighty-five countries and from all over India. We also pride on having with us an amazing pool of talent in our teaching staff, many of whom are noted academics, with substantial international experience. All in all, the educational experience at Symbiosis is designed to be wholesome and one that is authentically international. I hope that your experience at Symbiosis will afford you the opportunities to apply your talents and inspirations to the best use.

May God bless you!

Prof. Dr. S. B. Mujumdar
Chancellor, Symbiosis International (Deemed University)

Pro Chancellor's Message

Symbiosis upholds its motto "Vasudhaiva Kutumbakam" the world is one family in all its pursuits. The diverse backgrounds of the students who come here from 85 countries from all across the world, contribute to an international environment. The wide milieu of ideas that are brought to the table through the interactions and collaborations among students both inside and outside the classroom are contributive in enhancing the students' intellectual acuity.

The classrooms at the Symbiosis campus encourage an innovative and futuristic approach for management, academia and the administrative staff. As one of the largest Universities in India, Symbiosis has strong global linkages and an educational portfolio that boasts of excellent infrastructure, well- equipped classrooms, accommodation and an environment that assists students in realizing their potential while embracing diversity. The eclectic environment here enables students to think critically and emerge as responsible citizens with high moral values, ethics and good social conduct.

We aim to create globally valued graduates and have framed policies and procedures to expose students and faculty to international, intercultural and comparative aspects. This is ensured by encouraging student mobility on exchange and summer schools to international partners. The interdisciplinary studies allow students to choose from across multiple disciplines thus broadening their perspective and helping them gain knowledge of various domains, which makes them more adaptable to a global environment.

The Programmes offered at Symbiosis are innovative and designed according to the needs of the industry, thus creating the needed academia-industry interface. The Incubation Centre at Symbiosis has been created with the aim of supporting and nurturing the innovative spirit of the students and developing their entrepreneurial abilities.

On behalf of the University, I welcome you to the Symbiosis family! I wish you success in the Programme that you have chosen to study with us.

Dr. Vidya Yeravdekar
Pro Chancellor, Symbiosis International (Deemed University) Principal Director, Symbiosis

Vice Chancellor's Message

Dear Students,

For over five decades, Symbiosis has been at the forefront of providing quality education. What makes us unique? We are home to students, hailing from every corner of India and from countries across the globe. This diverse and vibrant community is what makes Symbiosis truly exceptional. Our campuses are a melting pot of cultures, where students from different backgrounds come together to learn, grow, and become global citizens. We provide a learning environment where students feel safe, inspired, and ready to explore their potential.

Symbiosis is proud to have eight world-class faculties that cater to a wide range of academic interests. From Law to Management, from Computer Studies to Medical and Health Sciences, from Media and Communication to Humanities and Social Sciences, from Engineering to Architecture and Design – we have it all. Our programs are designed to prepare students for the challenges of the modern world and to equip them with the skills they need to excel.

What truly sets us apart is our commitment to promoting international understanding through quality education. We encourage our students to think globally, to embrace diversity, and to be agents of positive change. Our faculty members are experts in their fields, and they work tirelessly to inspire and mentor our students. As a result, our graduates go on to make a significant impact, not just in India but all over the world. They carry with them the values of Symbiosis – empathy, inclusivity, and a commitment to excellence.

Symbiosis International (Deemed University) is not just an educational institution; it's a home, a community, and a launchpad for your dreams. So, if you're looking for a place where you can be part of a global family, where you can learn from the best, and where you can make a difference, then this is your destination.

Welcome to the Symbiosis family!

Dr. Ramakrishnan Raman
Vice Chancellor, Symbiosis International (Deemed University)

Section 1

SET/ SITEEE Registration

A.   SET/SITEE test registration process:

SET/ SITEEE 2026 will be conducted on two different dates. Please note these dates carefully:

Date of SET/ SITEEE 2026 and Time	
May 02,2026 (Saturday) **and** May 10,2026 (Sunday)	**Time**
SET	09.00 am to 10.00 am
SITEEE	11.30 am to 12.30 pm

A candidate can appear for upto two tests for SET and/or SITEEE 2026. If a candidate appears for more than one test, the higher score will be considered for the final percentile calculation. There will be no normalization. A rigorous process that has been statistically tested will be administered to ensure that unique types of questions are framed under a specific topic across the question papers. The normal spread will ensure that there is no unfair advantage to candidates who opt for any specific test / multiple tests. This will ensure the normalisation of the spread of questions across sections. Furthermore, the question papers will be normalised for the level of difficulty across all two tests. No correspondence regarding this will be entertained.

The registration process is as follows:

1. Click on 'Register'.
2. Read all the Instructions carefully and then click on the 'Continue' button to accept the Terms and Conditions.
3. Fill in the details requested on the page displayed.
4. Click on 'Save and Continue'. An OTP will be sent to the mobile number and email id that you have entered.
5. Enter the 'OTP' and submit.
6. After successful registration, you will get an e-mail and SMS containing your SET/SITEEE ID and password. Use this SET/SITEEE ID for all communications regarding the SET/SITEEE 2026 entrance test / admission procedure.
7. Pay the SET/SITEEE entrance test registration fee of INR 2250 per test [government taxes would be additional as and when applicable]-non-transferable and non-refundable as per the instructions mentioned on the registration portal.
8. In addition to that, you are also expected to pay the non-refundable and non-transferable programme registration fee of INR 1000/- (government taxes would be additional as and when applicable) for each programme that you wish to apply for.
9. **Please note that payment of only the SET/SITEEE entrance test registration fee will not make you eligible for short listing/merit listing in any programme, regardless of your SET/SITEEE score. Both fees must be paid as per the instructions provided on the registration portal. Failure to pay the programme registration fee will result in your application not being considered for that programme. No communication will be entertained in this regard.**
10. If you have any queries, please log in to your SET/SITEEE ID and click on **"Raise A Query"** and generate a ticket. Generating a ticket is essential to resolve your query.
11. The modes of payment for the programme(s) registration fee is same as that for SET/SITEEE.

*SIU reserves the right to add/delete/change the test cities due to unavoidable circumstances without prior intimation.

No request for a change of test date or test city will be entertained once a candidate has paid the SET/SITEEE Test registration fee. Test City and Test Date are allocated on a first come, first serve basis. **The earlier you pay, the higher are your chances to obtain a test date and test city of your choice.** The Test Timing, Test Centre and its address will be printed on the Admit Card. (The Admit Card will be live on the SET/SITEEE website www.set-test.org).

It is advisable that candidate decides prior to registration, which test(s) he/she wants to appear for as in a computer-based test, the test Centre capacities are limited. SIU reserves the right to change or allot a city other than the one requested by the candidate if the requested city is not available for any reason.

While all efforts will be made to ensure that a candidate gets a test city as per her/his preferences, however, in some exceptional circumstances, a different test city in a nearby area may be allotted. Computer-based testing is a proven and reliable process administered to tens of millions of people yearly. As with paper and pencil testing, or virtually every other human endeavour, many problems could occur that might prevent a test from being delivered and/or a result from being generated. In the unlikely event this does occur, every effort will be made to correct the problem, up to and including the administration of another test.

Section 3

Shortlisting and Admission Process

Shortlisting:

Candidates will be shortlisted for Personal Interaction (PI) process based on their respective Entrance Test marks. Please check the respective institute website for information and dates of Personal Interaction (PI).

The further admission process is conducted separately for each programme by each Institute. The cut-off for shortlisting is also calculated separately for each programme. Based on her/his overall SET percentile, a particular candidate may get shortlisted for more than one programme. In such a scenario the candidate is expected to participate in the PI for each programme separately.

Please note that institutes shortlist candidates who have appeared for the entrance test and paid for the programme for the subsequent process based on their own criteria, which may be independent of each other. The process may include any or all of the following, Writing Ability Test (WAT), Group Discussion (GD), Studio Test (ST) and Personal Interview (PI). Performance in SET/SITEEE is an important component in the admission process. Institutes may additionally use other factors such as but not limited to the previous academic performance of the candidates, relevant work experience, gender and academic diversity and other similar inputs in their merit listing process. Weightages allocated to these parameters may vary across institutes/programmes.

**Disclaimer:

It is mandatory to attend all components / tests of Personal Interaction (PI) to be eligible for admission to any UG programmes. Only candidates who attend all components / tests of selection process (Personal Interaction (PI)) shall be considered as eligible for generation of merit / wait / reject list. Candidates who remain absent for any one of the component / tests will be considered as ineligible for selection process of UG degree programmes of SIU.
